

APPENDIX 1

SCHEDULE OF CHARGES PURSUANT TO SECTION 36 OF THE RESOURCE MANAGEMENT ACT 1991

SCHEDULE 1

SCALE OF CHARGES FOR STAFF TIME

The fixed charges are as follows:

Level 1	Senior Management	\$260 per hour
Level 2	Managers/Supervisors	\$119 per hour
Level 3	Professional Staff	\$87 per hour
Level 4	Technical Staff	\$70 per hour
Level 5	Support Staff	\$70 per hour

EXPLANATION

This scale of charges is used to calculate the Council's actual and reasonable costs when carrying out functions under the Resource Management Act 1991. Where those actual and reasonable costs exceed any specified charges, the Council may recover those costs as additional charges under section 36(3) of the Resource Management Act 1991. Staff time is recovered at the charge appropriate to the task which they are undertaking. The charges are calculated as per the IPENZ method with a multiplier of 2.1. All charges exclude GST. Effective from 1 July 2011.

SCHEDULE 2

FIXED MINIMUM CHARGES FOR THE PREPARATION OR CHANGE OF POLICY STATEMENT OR PLANS AND THE PROCESSING OF RESOURCE CONSENTS

Request for preparation or change to a plan/policy statement	\$10,000
For non-notified farm dairy discharge consent	\$500
For notified consent other	\$750
For notified consents (limited and public)	\$5,000
Renewal, change or review of consent:	
Non-notified	\$500
Notified (limited and public)	\$5,000
Extension of a consent lapse date	\$350
Certificate of compliance	\$400
Approvals under Resource Management Act	
Water Measuring Regulations	\$250
Transfer of consent to another party	\$70

EXPLANATION

Applicants, in accordance with Council policy, are required, where necessary, to pay all actual and reasonable charges for staff time, consultants, legal, hearing costs (including legal, administration, hearing commissioners (including councillors) and disbursements), plant and laboratory analyses where these costs exceed the fixed minimum charges set out in Schedule 2. All charges exclude GST. Effective from 1 July 2011.

SCHEDULE 3

SCALE OF CHARGES FOR THE USE OF PLANT

Tandem trailer	\$95 per day
Single axle trailer	\$70 per day
Mac boat and motor	\$500 per day
Aluminium boat (with motor)	\$150 per day
Motor boat	\$600 per day
Motorbike (two wheeler)	\$200 per day
Quad bike	\$350 per day
Terx quad bike	\$500 per day
Timms kill traps	\$20 refundable bond
Automatic water quality samplers	\$50 per day
Suspended particulate sampler	\$30 per hour

Deposition gauge	\$50 per month
Drager air sampler	\$40 per sample
Electric fishing equipment	\$250 per day
Electrical submersible pump	\$50 per day
Gastec air sampler	\$50 per sample
Spray unit	\$200 per day
Hydrological gauging equipment	\$60 gauging
Groundwater probe	\$100 per day
In stream temperature monitor	\$300 per year
Stack air sampling kits	\$250 per day
Digital video survey	\$50 per day
Portable wind logger	\$350 per month
Global positioning system	\$50 per day
Vandorn sampler	\$50 per day
Survey equipment	\$50 per day
Sound system	\$120 per day
Portable (12v) groundwater pump	\$120 per day
Multigas monitor	\$100 per deployment
Passive absorption disks	\$170 per sample
Dust Trak monitor	\$100 per day
Materials supplied where applicable, e.g., chemicals	Cost + 20%
Telemetry site equipment	\$2,500 per annum

EXPLANATION

This scale of charges is used to calculate the Council's actual and reasonable costs when carrying out functions under the Resource Management Act 1991. Where those actual and reasonable costs exceed any specified amounts, the Council may recover those costs as additional charges under section 36(3) of the Resource Management Act 1991. All charges exclude GST. Effective from 1 July 2011.

SCHEDULE 4

FIXED MINIMUM CHARGES FOR LABORATORY ANALYSES

Test	
pH	\$12
Alkalinity	\$16
Acidity	\$16
Conductivity	\$12
Salinity	\$12
Turbidity	\$12
Absorbance—filtered	\$12
Hardness	\$16
Boron	\$25
Chloride	\$21
Sulphate	\$25
Sulphide	\$21
Fluoride	\$21
Silica	\$21
Chlorine (colorimetry)	\$25
Chlorine (kit)	\$16
Formaldehyde (colorimetry)	\$25
Formaldehyde (kit)	\$16
Total solids	\$30
Nitrogen—Ammonia	\$21
Nitrogen—Nitrite	\$21
Nitrogen—Nitrate	\$28
Nitrogen—Urea	\$28
Nitrogen—Total	\$38
Phosphorus—total	\$28

APPENDIX 1

SCHEDULE OF CHARGES PURSUANT TO SECTION 36 OF THE RESOURCE MANAGEMENT ACT 1991

DAIRY PROCESSING			Barkla A & EN	Inaha	\$1,254
Fonterra (Kapuni)	Kapuni	\$44,327	Bourke PG & BM	Punehu	\$668
Fonterra (Whareroa)	Whareroa	\$57,475	Campbell (Ionic Farm)	Ouri	\$1,254
DEEP WELL INJECTION			Cornwall farms		\$407
Cheal		\$1,770	Cradles Farm Trust No. 2	Whenuakura	\$719

APPENDIX 1

SCHEDULE OF CHARGES PURSUANT TO SECTION 36 OF THE RESOURCE MANAGEMENT ACT 1991

Stratford District Council	Ponds	\$7,774
South Taranaki District Council	Hawera	\$18,466
	Kaponga	\$5,305
	Manaia	\$4,203
	Patea	\$4,250
	Waverley	\$3,217
	Eltham ponds/landfill	\$7,651
	Opunake	\$7,772

WATER TAKES

Alma Trust	Waipuku	\$538
Awatea Hawkes Bay Trust		\$249
New Plymouth District Council	Various	\$9,885
Nukumarū Water Supply Scheme		\$235
Oaonui Water Supply Ltd	Various	1,530
South Taranaki Water Supplies	Various	\$13,831
Stratford District Council	Various	\$3,424

EXPLANATION

The Council's fixed minimum charges for activities with tailored compliance monitoring programmes are presented in various groups based on the nature of the discharge and/or type of industry.

Additional charges may be levied under section 36(3) of the Resource Management Act 1991 where the Council's actual and reasonable costs exceed the fixed monitoring charge.

See the scales of charges for staff time, consultants, plant and laboratory analyses set out in Schedules 1, 3 and 4. All charges exclude GST. Effective from 1 July 2011.

Note: #Provisional programme as consent may not be exercised, or programme implemented in part, so charge may be reduced.

SCHEDULE 6 FIXED MINIMUM CHARGES FOR MONITORING WHERE NO TAILORED COMPLIANCE MONITORING PROGRAMME EXISTS

The fixed charge for the annual farm dairy discharge compliance monitoring inspection and sampling are set out below:

- Discharge to land consent \$170
- Discharge to water consent, including sampling discharge and receiving environment \$460
- Discharge to land and water consent, including sampling discharge and receiving environment \$520.

Where non-compliance is detected the following additional monitoring re-inspection and sampling fixed charge may apply:

	Minor Non-compliance	Significant Non-compliance
Discharge to land consent	\$490	\$840
Discharge to water consent, including sampling	\$725	\$1,075

EXPLANATION:

The above fixed minimum charges for the annual farm dairy discharge compliance monitoring inspection and re-inspection, both including sampling, are based on actual and reasonable charges for staff time (Level 4- Technical Staff, Schedule 1) and laboratory analyses (Schedule 4). The above fixed minimum charges for monitoring, re-inspection and sampling after non-compliance with resource consent conditions or the Resource Management Act 1991, whether this arises from the annual inspection or not, are based on actual and reasonable charges for staff time (Level

4- Technical Staff, Schedule 1) and laboratory analyses (Schedule 4). Each farm dairy discharge non-compliance will be assessed in the context of the consent granted and compliance history of the consent. Significant non-compliance activities are non-compliances that will have actual or potential effects on the environment. Examples of a minor non-compliance are deficient baffles between ponds, minor failure to contain shed/race effluent and washings where these discharge to land, and stormwater diversion system deficient. Examples of significant non-compliance is ponding of effluent on the soil surface (unauthorised by resource consent), breach of discharge standards required in the resource consent, inadequate effluent storage and land area, significant increase in stock numbers beyond those allowed in the consent, and an inadequate effluent system. The above are examples and it should be noted they do not represent a complete list of non-compliances.

Additional charges may be levied under section 36(3) of the Resource Management Act 1991 where the Council's actual and reasonable costs exceed the fixed monitoring and non-compliance charges. An example is a significant non-compliance for a discharge to land farm dairy discharge consent where sampling costs of the discharge and receiving water may be required.

See the scales of charges for staff time, consultants, plant and laboratory analyses set out in Schedules 1, 3 and 4. All charges exclude GST. Effective from 1 July 2011.

SCHEDULE 7 FIXED MINIMUM CHARGES FOR MONITORING WHERE NO TAILORED COMPLIANCE MONITORING PROGRAMME EXISTS

The fixed charge for the annual or once only compliance monitoring inspection is \$170.

The fixed charge for re-inspection arising from the annual or once only compliance monitoring inspection is \$205.

EXPLANATION:

The above fixed minimum charges for both the annual compliance monitoring inspections and the once only compliance monitoring inspections, and re-inspections, are based on staff time for a Level 4- Technical Staff (Schedule 1).

Additional charges may be levied under section 36(3) of the Resource Management Act 1991 where the Council's actual and reasonable costs exceed the fixed monitoring charge. See scales of charges for staff time, consultants, plant and laboratory analyses set out in Schedules 1, 3 and 4. All charges exclude GST. Effective from 1 July 2011.

SCHEDULE 8 CHARGES FOR THOSE REQUESTING HEARING COMMISSIONERS

Applicants or submitters making a request, under section 100A of the Resource Management Act 1991, shall be required to pay the additional costs as reasonably determined by the Council using costs set out in Schedules 1 and 2.

EXPLANATION:

For a notified resource consent application an applicant or a submitter may request that the Council delegate its functions, powers and duties required to hear and decide the application to one or more independent hearing commissioners. Sections 36(1)(aa) and 36(1)(ab) of the Resource Management Act 1991 allow the Council to estimate the additional costs as if the request had not been made and recover these costs from the requestor(s). Schedule 1 sets out the Council's scale of charges for staff time and schedule 2 sets out the fixed minimum cost of processing resource consent applications and includes hearing costs.
