EXPLANATION:

The charges are for the Council's actual and reasonable costs when carrying out functions under the Building Act 2004 in relation to dams. The charge (in most cases) will be made up of a deposit and where required an additional charge, when the cost of performing the function exceeds the deposit by more than \$20. If the cost of performing the function is less than the deposit paid by more than \$20, a refund will be given. The Building Act does not specify a particular procedure for the Council to follow when setting Building Act fees and charges. The Council has decided, for completeness and ease of reference, to include these charges in the Annual Plan. All charges are GST exclusive. Effective from 1 July 2011.

APPENDIX 3

SCHEDULE OF CHARGES PURSUANT TO THE LOCAL GOVERNMENT ACT 2002

APPENDIX 3 INSPECTIONS AND INCIDENTS COST RECOVERY

Pursuant to section 150 of the Local Government Act 2002, the Taranaki Regional Council gives notice that it has adopted the following schedules of charges for the recovery of the costs of inspection, including but not limited to routine and additional inspections, and inspections following any incidents, discharges, spillages or non-containment of substances that cause, or have the potential to cause, adverse environmental effects, where these costs are not covered by a more specific charge elsewhere.

The cost recovery schedule for staff time is set out in Schedule 1 and for laboratory analysis costs is set out in Schedule 4, with both schedules in Appendix 1.

EXPLANATION:

The scale of charges set out above may apply for the recovery of reasonable costs incurred of staff time and analyses associated with inspections and following incidents, discharges, spillages, non-containment of substances or breaches of permitted activity standards that cause, or have the potential to cause, adverse environmental effects. Inspections may involve actions such as taking and analysing samples to determine environmental effects. All charges are GST exclusive. Effective from 1 July 2011.
