

**AUDIT REPORT  
TO THE READERS OF  
TARANAKI REGIONAL COUNCIL AND GROUP'S  
FINANCIAL STATEMENTS AND PERFORMANCE INFORMATION  
FOR THE YEAR ENDED 30 JUNE 2007**

The Auditor-General is the auditor of Taranaki Regional Council (the Regional Council) and group. The Auditor-General has appointed me, Graham Naylor, using the staff and resources of Deloitte, to carry out an audit on his behalf. The audit covers the Regional Council's compliance with the requirements of Schedule 10 of the Local Government Act 2002 that apply to the annual report of the Regional Council and group for the year ended 30 June 2007, including the financial statements.

## **Unqualified Opinion**

In our opinion:

- The financial statements of the Regional Council and group on pages 44 to 76:
  - comply with generally accepted accounting practice in New Zealand; and
  - fairly reflect:
    - the Regional Council and group's financial position as at 30 June 2007; and
    - the results of operations and cash flows for the year ended on that date.
- The service provision information of the Regional Council and group on pages 17 to 43 fairly reflects the levels of service provision as measured against the intended levels of service provision adopted, as well as the reasons for any significant variances, for the year ended on that date; and
- The Council has complied with the other requirements of Schedule 10 of the Local Government Act 2002 that apply to the annual report (the "other requirements").

The audit was completed on 19 September 2007, and is the date at which our opinion is expressed.

The basis of our opinion is explained below. In addition, we outline the responsibilities of the Council and the Auditor, and explain our independence.

## **Basis of Opinion**

We carried out the audit in accordance with the Auditor-General's Auditing Standards, which incorporate the New Zealand Auditing Standards.

We planned and performed the audit to obtain all the information and explanations we considered necessary in order to obtain reasonable assurance that the financial statements, performance information and the other requirements did not have material misstatements, whether caused by fraud or error.

Material misstatements are differences or omissions of amounts and disclosures that would affect a reader's overall understanding of the financial statements, performance information and the other requirements. If we had found material misstatements that were not corrected, we would have referred to them in our opinion.

The audit involved performing procedures to test the information presented in the financial statements, performance information and the other requirements. We assessed the results of those procedures in forming our opinion.

Audit procedures generally include:

- determining whether significant financial and management controls are working and can be relied on to produce complete and accurate data;
- verifying samples of transactions and account balances;
- performing analyses to identify anomalies in the reported data;
- reviewing significant estimates and judgements made by the Trustee's;
- confirming year-end balances;
- determining whether accounting policies are appropriate and consistently applied; and
- determining whether all required disclosures are adequate.

We did not examine every transaction, nor do we guarantee complete accuracy of the financial statements, performance information and the other requirements.

We evaluated the overall adequacy of the presentation of information in the financial statements, performance information and the other requirements. We obtained all the information and explanations we required to support our opinion above.

## **Responsibilities of the Council and the Auditor**

The Council is responsible for preparing financial statements in accordance with generally accepted accounting practice in New Zealand. Those financial statements must fairly reflect the financial position of the Regional Council and group as at 30 June 2007. They must also fairly reflect the results of operations and cash flows and the levels of service provision for the year ended on that date. The Council is also responsible for meeting the other requirements of Schedule 10 and including that information in the annual report. The Council's responsibilities arise from Section 98 and Schedule 10 of the Local Government Act 2002.

We are responsible for expressing an independent opinion on the financial statements, performance information and the other requirements and reporting that opinion to you. This responsibility arises from section 15 of the Public Audit Act 2001 and section 99 of the Local Government Act 2002.

## **Independence**

When carrying out the audit we followed the independence requirements of the Auditor-General, which incorporate the independence requirements of the Institute of Chartered Accountants of New Zealand.

In addition to the audit we have carried out assignments in the areas of taxation assurance, NZ IFRS restatement of comparatives work, an independent investigation and the audit of the Long Term Council Community Plan which are compatible with those independence requirements. Other than the audit and these assignments, we have no relationship with or interests in the Regional Council or any of its subsidiaries.
