MISSION STATEMENT

Our mission is to work for the present and the future benefit of the Taranaki region by:

- promoting the sustainable use, development and protection of Taranaki's natural and physical resources;
- safeguarding Taranaki's people and resources from natural and other hazards; and
- representing and advocating Taranaki's regional interests

We will do this in a responsible and cost effective way that includes and encourages participation by the regional community and takes account of the Treaty of Waitangi.
