How to use the bus

Catching your bus

- Stand on the footpath near the front of the designated bus stop. Some bus stops are used by more than one route, so as the bus approaches, check the route number and destination displayed on the front of the bus.
- Raise your arm as a signal to the driver that you want the bus to stop.

On the bus

For your own safety and comfort, as well as those around you, please:

- Do not smoke, eat, drink, vape or play loud music
- If the bus is busy, please offer your seat to someone who may need it more than you – for example someone who is older, pregnant or travelling with young children
- Relax and enjoy your ride!

Leaving the bus

- As you approach the stop where you want to get off, press the bell once.
- Before leaving the bus, please check you have all your belongings.
