

Taranaki Regional Council South Taranaki Constituency Electing 3 Regional Councillors

Alan MURRAY

My principal place of residence is in the South Taranaki Constituency area.

Standing for the Taranaki Regional Council because I am passionate about the future of our province.

Previous experience on Hawera Community Board and Councillor in Northland.

Work experience includes water treatment, accountancy, agricultural/horticultural and 10 years as a Builder.

Present Council committing \$50 million to under utilised rugby Stadium, no other sports. Apparent unanimous predetermined decision making a mockery of consultation process with District Councils and other parties.

I say. "Time for some new blood on this Council".

Our rivers are much cleaner than they were and I am committed to see this progress continue.

I promise energetic, honest and transparent representation when elected.
