

Taranaki Regional Council New Plymouth Constituency Electing 5 Regional Councillors

Craig WILLIAMSON

My principal place of residence is in the New Plymouth Constituency area.

For the past nine years as a Councillor I've advocated for regional plans and policies that ensure we encourage the best possible care of our natural resources while protecting and enhancing our coastline and waterways, at the same time facilitating growth, prosperity, jobs and opportunities in our region.

As Chairman of Taranaki's Regional Transport Committee I've been pushing for our fair share of the national transport budget and ongoing roading infrastructure improvements.

I'm also known for my work with Surfing Taranaki, as a Trustee of Taranaki's Te Karaka Community Foundation, and stepping forward last year to prevent our recreational reserves being carved up and sold off by the NPDC.

I have the experience, energy, enthusiasm and vision required for the role of Regional Councillor and with your support will continue to be a positive and effective voice for New Plymouth, promoting World Class Care for our Land, Water and Air.
