

Taranaki Regional Council New Plymouth Constituency Electing 5 Regional Councillors

Mike SWIFT

My principal place of residence is in the New Plymouth Constituency area.

Raised in rural Taranaki and now residing in New Plymouth I have a full appreciation for our unique environment. The harshness and the beauty of our natural landscape and waterways

along with the productive nature of our fertile soils and resources that make for a prosperous region.

My background in finance, agribusiness, and property development coupled with a passion for our region brings a well-credentialed experience and knowledge base. My urban domicile along with a rural background provides a balanced view on the synergies required across the urban rural threshold. A desire to see a flourishing region with a balanced view to economic, environmental, and lifestyle facets is my driver to represent. Key assets need to continue to bring regional prosperity and improved lifestyle amenity.

Your support will be a vote for a multi faceted and experienced individual with a pragmatic approach, and a desire to see strong regional prosperity.
