

Taranaki Regional Council New Plymouth Constituency Electing 5 Regional Councillors

Tom CLOKE

My principal place of residence is not in the New Plymouth Constituency area.

Lived, worked in the New Plymouth area all my life, married with 3 daughters, 8 grandchildren. Currently, Taranaki Regional Councillor, Chairman of Taranaki Civil Defence.

Throughout my term on Council I have been strongly advocating for improving our roading infrastructure, for projects like Normanby By-pass, SH3 Safety Improvements, Mt Messenger, Awakino Tunnel By-pass, and projects that improve walking and cycling access. Port Taranaki, Yarrows Stadium are important for the province.

Proud supporter of the Predator Free Programme, Taranaki Regional Gardens, many other Environmental projects lead by Council, and Community, including the Riparian Planting programme.

Have been proud to be part of a Council that continues to strive for very high environmental outcomes.

Your support will allow me to continue to build on these achievements, to ensure we have the best region and city to live in, for our families to grow and realise their personal goals.
