

Guidelines for Earthworks in the Taranaki Region

July 2018

The Taranaki Regional Council's guidelines are currently under review.

Until the review is completed, please refer to the relevant Waikato Regional Council guidelines, which also apply in Taranaki:

[Erosion & Sediment Control – Guidelines for Soil Disturbing Activities](#) (PDF, 3MB)

Updates:

[Sediment Retention Pond](#) (PDF, 332 KB)

[Silt Fence](#) (PDF, 161 KB)

[Decanting Earth Bund](#) (PDF, 181 KB)

Hay bale barriers (Guidelines Section 3.4) are no longer considered suitable control devices.
