For new tailored compliance monitoring programmes or inclusion of new consents into existing programmes (that arise between the setting of these charges and the end of the financial year that they relate to), an estimate will be provided to the consent holder and compliance monitoring work charged according to this. Where no estimate is provided, compliance monitoring costs will be recovered per Schedule 6 or 7 of this *Plan*.

Additional charges may be levied under section 36(3) of the *Resource Management Act 1991* where the Council's actual and reasonable costs exceed the fixed monitoring charge. See the scales of charges for staff time, consultants, plant and laboratory analyses set out in Schedules 1, 3 and 4. The above charges include those arising from any functions transferred to the Council under section 33 of the *Resource Management Act 1991*. All collection costs incurred in the recovery of a debt will be added to the amount due. Overdue invoices will incur an interest charge at 12% per annum. All charges exclude GST. Effective from 1 July 2017.

#### SCHEDULE 6: FIXED MINIMUM CHARGES FOR MONITORING FARM DAIRY DISCHARGES

The fixed charges for farm dairy discharge compliance	
monitoring inspection and sampling are set out below:	
Discharge to land consent:	\$300
Discharge to water, no sampling:	\$300
Discharge to water consent, including sampling	
discharge and receiving environment:	\$900
Discharge to land and water consent, including sampling	
discharge and receiving environment:	\$965
Discharge to land and water consent, no sampling:	\$350

Where non-compliance is detected the following additional monitoring re-inspection and sampling fixed charge may apply:

	Minor Non- compliance	Significant Non- compliance
Discharge to land or water consent, no sampling	\$747	\$1,380
Discharge to water consent, including sampling and reinspection	\$1,190	\$1,822

#### **EXPLANATION**

The above fixed minimum charges for the annual farm dairy discharge compliance monitoring inspection and re-inspection, both including sampling, are based on actual and reasonable charges for staff time (Professional Staff, Schedule 1) and laboratory analyses (Schedule 4). The above fixed minimum charges for monitoring, re-inspection and sampling after noncompliance with resource consent conditions or the Resource Management Act 1991, whether this arises from the annual inspection or not, are based on actual and reasonable charges for staff time (Professional Staff, Schedule 1) and laboratory analyses (Schedule 4). Each farm dairy discharge noncompliance will be assessed in the context of the consent granted and compliance history of the consent. Significant non-compliance activities are non-compliances that will have actual or potential effects on the environment. Examples of a minor non-compliance are deficient baffles between ponds, minor failure to contain shed/race effluent and washings where these discharge to land, and stormwater diversion system deficient. Examples of significant non-compliance are ponding of effluent on the soil surface (unauthorised by resource consent), breach of discharge standards required in the resource consent, inadequate effluent storage and land area, significant increase in stock numbers beyond those allowed in the consent, and an inadequate effluent system. The above are examples and it should be noted they do not represent a complete list of non-compliances.

Additional charges may be levied under section 36(3) of the *Resource Management Act 1991* where the Council's actual and reasonable costs exceed the fixed monitoring and noncompliance charges. An example is a significant noncompliance for a discharge to land farm dairy discharge consent where sampling costs of the discharge and receiving water may be required. See the scales of charges for staff time, consultants, plant and laboratory analyses set out in Schedules 1, 3 and 4. All collection costs incurred in the recovery of a debt will be added to the amount due. Overdue invoices will incur an interest charge at 12% per annum. All charges exclude GST. Effective from 1 July 2017.

#### SCHEDULE 7: FIXED MINIMUM CHARGES FOR MONITORING WHERE NO TAILORED COMPLIANCE MONITORING PROGRAMME EXISTS

The fixed charge for a regular compliance monitoring inspection that is not addressed in Schedule 5 or 6 is \$300 per inspection plus any additional plant or laboratory analyses costs as set out in Schedules 3 and 4.

The fixed charge for a regular compliance monitoring reinspection arising from non-compliance detected in an inspection that is not addressed in Schedule 5 or 6 is \$335 per inspection plus any additional plant or laboratory analyses costs as set out in Schedules 3 and 4.

For the monitoring of some resource consents, it is not possible to predesign a monitoring programme, or to apply a fixed charge. This may be because the consent is exercised irregularly or the scale of the consented activity varies unpredictably. In such cases the Council will scale the monitoring programme according to the activity and charge for reasonable inspection time, sample analysis and equipment hire as set out in Schedules 1, 3 and 4 of this Appendix. This approach will be applied to monitoring of consents such as those associated with well-sites, hydraulic fracturing, forestry, construction of pipelines/highways /other roading projects and other temporary earthworks.

#### **EXPLANATION**

The above fixed charges for compliance monitoring inspections and re-inspections are based on staff time for a Professional Staff (Schedule 1). Additional charges may be levied under section 36(3) of the *Resource Management Act* 1991 where the Council's actual and reasonable costs exceed the fixed monitoring charge. See scales of charges for staff time, consultants, plant and laboratory analyses set out in Schedules 1, 3 and 4. The above charges include those arising from any functions transferred to the Council under section 33 of the *Resource Management Act* 1991. All collection costs incurred in the recovery of a debt will be added to the amount due. Overdue invoices will incur an interest charge at 12% per annum. All charges exclude GST. Effective from 1 July 2017.

# SCHEDULE 8: CHARGES FOR THOSE REQUESTING HEARING COMMISSIONERS

Any submitter making a request, under section 100A of the *Resource Management Act 1991*, shall be required to pay the additional cost of having the application heard and decided by independent commissioners as reasonably determined by the Council using costs set out in Schedules 1 and 2.

#### **EXPLANATION**

For a notified resource consent application a submitter may request that the Council delegate its functions, powers and duties required to hear and decide the application to one or more independent hearing commissioners. Section 36 (1)(ab) of the Resource Management Act 1991 allows the Council to estimate the additional costs, as if the request had not been made, and immediately invoice the requestor(s) for this additional cost. Where more than one submitter makes a request the costs may be shared equally. If the additional cost of independent hearing commissioners is less than the payment then a refund will be made. Schedule 1 sets out the Council's scale of charges for staff time and Schedule 2 sets out the fixed minimum cost of processing resource consent applications and includes hearing costs. All collection costs incurred in the recovery of a debt will be added to the amount due. Overdue invoices will incur an interest charge at 12% per annum. All charges exclude GST. Effective from 1 July 2017.

#### **EXPLANATION**

The charges are for the Council's actual and reasonable costs when carrying out functions under the *Building Act 2004* in relation to dams. The charge (in most cases) will be made up of a deposit and where required an additional charge, when the cost of performing the function exceeds the deposit by more than \$20. If the cost of performing the function is less than the deposit paid by more than \$20, a refund will be given.

The *Building Act* does not specify a particular procedure for the Council to follow when setting *Building Act* fees and charges. Charges under the *Building Act* 2004 for performing any other function under the Act will be based on the staff charge our rates in Schedule 1. The Council has decided, for completeness and ease of reference, to include these charges in this *Plan*. All collection costs incurred in the recovery of a debt will be added to the amount due. Overdue invoices will incur an interest charge at 12% per annum. All charges are GST exclusive. Effective from 1 July 2017.
