

# Piwakawaka Family Hut

## General information

### Getting there:

- It takes an hour to walk to the Family Hut following the main route (you will receive a map with your booking confirmation). The track takes you through native and regenerating rainforest with opportunities to spot native birds overhead.
- The track is still under development so it can be very muddy in areas after heavy rain. Please be prepared with sturdy walking footwear and appropriate clothing.

### Facilities:

- The Family Hut sleeps a maximum of 12, bunk-bed style.
- There is a log-burner fireplace, with firewood and kindling supplied. Bring your own newspaper and matches.
- Tank water is available.
- Toilets are just outside the hut. There is no shower.
- The Family Hut has no electricity but there are solar powered lights. We recommend bringing a torch or lantern.
- There are no cooking facilities except for the top of the log burner with some pots and pans also available. You're advised to bring a portable cooker.
- There is cellphone coverage in some areas.

### Hut users code:

- Gas cookers and hot items should be used only on the metal benches. Keep a window open during cooking and keep an eye on them. Be sure to turn gas off overnight.
- NO dogs allowed.
- NO smoking in huts.
- Keep hut clean and tidy. A broom and brush and pan is provided. Leave muddy shoes outside.
- Carry it in, carry it out. Take all of your rubbish with you and dispose of it responsibly
- Before leaving, close doors and windows securely.
