

Piwakawaka Family Hut

General information

Getting there:

- Check the weather forecast in advance. If you would like to alter your booking date due to bad weather, this can be done up to 48 hours in advance.
- It takes up to 90 minutes to walk to the Family Hut following the main route (you will receive a map with your booking confirmation). The track takes you through regenerating native rainforest with plentiful birdlife.
- The track can be muddy in places. Please be prepared with sturdy walking footwear and appropriate clothing.

Facilities:

- The Family Hut sleeps a maximum of 12, bunk-bed style.
- There is a log-burner fireplace, with firewood and kindling supplied. Bring your own newspaper and matches.
- Tank water is available.
- The Toilet is just outside the hut. There is no shower.
- The Family Hut has no electricity but there are solar powered lights. We recommend bringing a torch or lantern.
- There are no cooking facilities except for the top of the log burner and some pots and pans. Bring a portable cooker.
- There is cellphone coverage in some areas.
