Dear Member

Another year has passed in the garden, marked by several events, including the opening of the new Members Lodge in October last year. Since then, garden staff have filled in and raised up the lawn in front of the Lodge, and planting is ongoing around the Lodge. The Valley of the Giants has had a thorough tidy up and is looking quite magnificent – come visit this Spring and see for yourself! Month on month, visitor numbers to Pukeiti still continue to grow, with an estimated 85,000 people visiting in the last twelve months.

As outlined in the May newsletter, the Board’s key focus now is working to enhance and expand the *Rhododendron* collection at Pukeiti. There is a much work happening in many areas, locally, nationally and internationally. As an example, in May we helped fund a seed collecting trip to Sikkim and Bhutan. Some of the seeds from this trip, including some varieties from the Red List of endangered plants, have already been cleared through MPI and are currently being germinated for propagation.

None of this is possible, though, without the ongoing support and interest of our members, so we invite you to once again renew your membership of the Pukeiti Rhododendron Trust, Inc. Benefits include:

- Newsletters and the annual *Rhododendron* journal
- Members-only events and plant purchase scheme
- A 10% discount for **the person named on the card only** when you show your membership card at the Founders Café and the Pukeiti giftshop
- Discounts when hiring the Studio or booking events at the Lodge (*conditions apply for new members, check with the Secretary*)
- Volunteering in the garden and during public events
- Full voting rights at the October AGM

Membership options include:

Annual (for individuals, couples and families) \$30.00, valid until 30 June 2020.

Endowment Memberships (one payment only):

Individual \$1750 Senior Individual \$1100 Benefactor \$5500 (\$3850 tax deductible)

Endowment memberships are invested in the Pukeiti Trust Fund Perpetuity account, income from which contributes to projects within the garden, the rhododendron collection and the conservation rainforest.
