Dear Member

It has been an exciting time at Pukeiti over the past 12 months. The TRC officially opened the new Rainforest Centre last September, and will hold an official opening of the new Members Lodge later this year. We will hold our own celebration at the Lodge after our AGM in October.

Dr Marion MacKay completed the first phase of the *ex situ* Rhododendron study at Massey, and was invited by Paul Smith, Director General of Botanic Gardens Conservation International (BGCI) of London, to attend and help plan a workshop on Rhododendron conservation in Virginia, USA. We also sent fellow board member Doug Thomson to the combined American and German Rhododendron Society convention in Bremen, Germany (there'll be more about this in the next *Rhododendron* journal).

We are excited about having reestablished contact with the global rhododendron world, and working together to support the conservation and growth of our rhododendron collection, many of which are on the international "Red List" of endangered plants. At the same time, we will be continuing to work hard to raise national and international awareness of the garden, and to increase community ownership of this treasured public amenity.

But, we can't do any of this without you, so we invite you to once again renew your membership of the Pukeiti Rhododendron Trust, Inc. Membership benefits include: regular newsletters and the annual *Rhododendron* journal, members-only events, an exclusive plant purchase scheme, volunteering in the garden and during public events, and full voting rights.

Membership options include:

Annual (for individuals, couples and families) \$30.00, valid until 30 June 2019.

Endowment Memberships (one payment only):

Individual \$1750 Senior Individual \$1100 Benefactor \$5500 (\$3850 tax deductible)

Endowment memberships are invested in the Pukeiti Trust Fund Perpetuity account, income from which contributes to projects within the garden, the rhododendron collection and the conservation rainforest.
